DANCE FESTIVAL NAH DRAN XX / SWAN Day

The NAH DRAN showcase-series for new choreographers is combining its 20th edition with the three-year anniversary of SWAN (Support Women Artists Now) Day Berlin. Headed up by Joey Juschka and Shannon Sullivan - who plans to perform her solo piece *Broken: Part I* - Berlin's take on SWAN Day is part of an annual international event designed to recognize the work of women artists. It is always held on the last Saturday in March.
